WHO WE ARE

Genesis Health Solutions LLC is a San Antonio-based, SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) supporting federal buyers and prime contractors with responsive sourcing of medical and surgical consumables. The company was founded by a former U.S. Air Force surgical technician with more than 20 years of operating-room and surgical-technology experience — a clinical background that informs the urgency, workflow, and product expectations behind every quote.

CORE COMPETENCIES

- Medical and surgical consumables — OR disposables, PPE, infection-control products, and wound-care supplies
- SDVOSB subcontracting and fulfillment support for prime contractors on federal medical and surgical opportunities
- Specialty surgical sourcing coordination through established manufacturer and distribution relationships, with availability and compliance confirmed before quotation
- Federal micro-purchases and smaller procurement opportunities, with SAM.gov-compliant order fulfillment

DIFFERENTIATORS

- 20+ years of operating-room and surgical-technology experience
- U.S. Air Force surgical services background informing federal procurement fluency
- SBA-certified SDVOSB, actively registered and ready to receive federal opportunities
- Founder-led, lean structure built for responsive, accountable communication throughout the procurement process
